CGA Manitoba Members Vote to Support Merger

On Wednesday, January 29th, a special general meeting of Manitoba CGAs was held to ratify an agreement to proceed with merging CGA, CMA, and CA Manitoba.

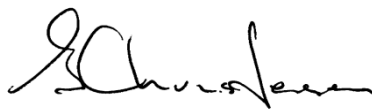

With 51% of the CGA membership casting a vote, 83% voted in favour of the *Merger Agreement*. This result satisfies the two-thirds majority requirement of CGA Manitoba's Bylaw 4. *Mergers or amalgamations*.

CGA Manitoba now looks forward to working with the leaders of CA and CMA Manitoba to execute the Merger Agreement in a timely and effective manner.

On behalf of the Board of Directors, CGA Manitoba thanks all its members who took the time to participate in the merger process and express their opinion by voting.
